re: Lower Jordan River Distribution System Meeting for 2010

Dear Fred:

Enclosed is a copy of our proposed schedule for the 2010 annual distribution meetings.

We would like to hold the meeting for your distribution system on Tuesday January 19, 2010 at 2:00pm. We hope that by scheduling the meetings this far in advance we will be able to avoid any conflict with your schedule.

Last year at the annual meeting, Lynn Jensen's term as water commissioner was extended for one year and Lane Jensen was appointed as his deputy with the understanding that Lane would be appointed in 2010 as the water commissioner. If circumstances have changed so that Lane will not be appointed as water commissioner, we will have to follow the process outlined in the administrative rules (R655-15-7(2)) to select another person to be appointed by the State Engineer to serve as water commissioner.

If Lane will not be appointed as water commissioner, please contact me as soon as possible. The selection process takes some time and it needs to be completed prior to the annual meeting.

If you have any questions or if there is a serious conflict with the proposed schedule for your meetings, please contact me and we will see what we can work out. I can be contacted by phone at (801)538-7380 or by e-mail at LeeSim@utah.gov. Our meeting schedule will be finalized and we will start making meeting place arrangements towards the middle of December, so I need to know as soon as possible if there is a problem with your scheduled meeting date and time.

Thanks for your help.

Sincerely,

Lee H. Sim, P.E.
Assistant State Engineer for Distribution
